MEMORANDUM FOR MEMBERS, PERSONNEL SECURITY SUBCOMMITTEE

SUBJECT: PerSSub Meeting, 13 April 1982

1. At the 24 Mar 1982 SECOM meeting, [ ] announced that the Personnel Security Subcommittee (PerSSub) had replaced the Investigative Standards Working Group. Our first meeting will be held at the Intelligence Community Building on 13 Apr 1982 (Agenda attached). Please bring with you a typed listing of your complete mailing address, telephone numbers and similar data on a selected alternate member. This will be used to compile a PerSSub Directory. Additionally, I would appreciate your bringing a tasking memo specifying those projects that you would like our subcommittee to address. I asked SECOM members on 24 Mar to provide you with input in this area. You may, therefore, want to check with your principal before preparing your tasking memo. Please take into account PerSSub budgetary needs for FY84 in your considerations.

2. As you can see from our Agenda, we have a lot of business to address in our first meeting so we have reserved a room for three hours. Of particular interest will be the Personnel Security Standards for Access to Intelligence, Draft #1, distributed at the last ISWG meeting. We shall try to reach agreement on a draft that we can recommend to the SECOM.

3. If you have any questions, you can reach me on [ ]
